“ *I've never had the pleasure of meeting Leslie. I am a personal friend of Kurt Volkmer's, and just wanted Harley and his family to know that my prayers are with each of you. I recently lost my brother and know first hand how difficult the loss of a family member can be! Harley, you are not alone sweetie...your family and your friends are here for you always!

“ *I just met the family through Harley as his new "Big Brother" from United Way. Harley is a swell guy and am looking forward to spending some time with him if that's possible. I pray for the family and know that God is watching over them.
