

Leslie Grey Hardy

July 11, 1958 - February 3, 2007

Leslie Grey Hardy was born to Connie and Ray Hardy on July 11, 1958 in Houston, Texas. Attended the ARC Church in Conroe, Texas and taught Sunday School. He died on Monday January 29, 2007. He attended Elementary School in Bellaire, Texas. He graduated from Katy High School in 1977. He loved to work outside, and was a "Red Neck" in the oilfields and crewed on a tugboat on the Mississippi River before deciding that having to work outside was different than having an education and being able to work outside. So, he graduated Sam Houston State University with a B. B. A. in 1984. He worked in the oil and gas-related businesses after graduation while managing the family ranch in New Waverly, Texas. He was an artist, photographer, and a certified scuba diver. The true jewel in his life was his daughter, Leslie Gabrielle Hardy. He was a devoted, loving father and his happiest and most precious moments were when he was with her or thinking of her. He is survived by his daughter, Leslie Gabrielle Hardy, his parents, Ray and Connie Hardy, his brother, David Hardy and sister-in-law, Phyllis Hardy. Visitation will be held at Sam Houston Memorial Funeral Home on Friday, February 2, at 5 PM to 8 PM. Services will be at 10 AM, Saturday February 02, 2007 at Sam Houston Memorial Funeral Home. Interment will immediately follow at the Old Waverly Cemetery. Those wishing to leave memorial condolences for the family may do so at www.shmfh.com.

“ *Ray, Connie, and family: I am so sorry for the loss of your Leslie. He looks like he was such a happy person in his picture - he probably laughed a lot like his dad. He sure looks like you, Ray! I know you miss him!*

It is my prayer that the Lord bless you with His love and give you grace for each new day; and give you comfort in knowing that you will be together again someday. God bless you.

*With love and prayers,
Irene Gray McClendon*

“ *Uncle Ray, Aunt Connie, David and Phyllis, John and I want you to know that our prayers are with you and Gabrielle. We love you all. The service for Leslie was awesome. I could feel Leslie's wonderful smile and see him in his Leiv's, as we said goodbye, here on earth, to our cousin and New Waverly, neighbor. John and I were able to have some special times with Leslie and Gabrielle, because we were neighbors. Every visit was all smiles, from Leslie and Gabrielle, as Gabrielle would tell us about her visit with her Dad. Leslie Grey Hardy is very special and will be deeply missed.*

*Family love,
John and Carolyn*
