“ *I'm saddened by the loss of an old and dear friend. We were buddies since the 1940's, went through school together in Childress, TX, traveled a lot of miles together including the mountains of New Mexico and the 1950 Boy Scout Jamboree in Valley Forge, PA.*

RIP my friend,

“ *Woody , Greatly enjoyed all the golf and our friendship over these many years, we had a lot of fun, I noticed by stock in Budweiser and Jack Daniels dropped for some reason, but I will work hard to push the stock price up. You will be missed.*

“ There will never be another "Woody"! Happy, fun loving, a man who truly loved his wife and family. We enjoyed many rounds of "fun" golf with Woody. A man who could be trusted and a real Friend in the true sense of the word when one was needed.

Woody, you are missed but know you are in a much happier place!!

A contribution to the ASPCA for the dogs you loved will gladly be made in your memory.

“ Gary and I were so sadden to hear of Woody's passing. He and Gary had a lot of good times together. He always called him Wiso, Gary never knew why, but thought it was funny. last time we saw him he spent the night with us. When we got up he was gone. Gary called him, he said he just woke up about 1AM and decided to go to Childers, but then changed his mind and was now on his way home. That was the Woody we knew and loved. Woody and Gary often visited over the phone, his calls will be missed as will Woody.

“ *What a great man and friend Woody was to us and many here at Elkins Lake. We always enjoyed his humor, and saw the love he & Janell had for his family. We are happy to say that he made our heart smile often and we will miss him. God Bless and we are thinking of you during this most difficult time.*
