“ *Linda and family Joanna and I want to say that we are sorry for your loss, but we also know that your Mother is with Jesus and don't have to hurt any longer. Please let me know if there is anything that we can do. Remember that the Lord is with you as close as your heart beat as close as your next breath give your hurt to Him. His love anoints our days and causes dry cups to overflow. We are praying for you may the Lord bless you.*

“ Dear Linda (and Anna)

*It was truly an honor to care for your Mother. It was equally a joy to see such dedication from her caregivers. She was wonderfully loved and cared for. Her quality of life was truly enhanced because of your love and dedication.*

*It still brings a smile to my face when I remember how Polly smiled and laughed as we would be sharing around her bed. She loved to hear us laughing and enjoying a good joke.*

*Our lives were enriched because of her and you.*

*May the Peace only Jesus can give, be yours today and in the days to come.*

*Lovingly*

*Tami*

“ Dear Linda & family. I'm so sorry for your loss. I didn't know Polly well, but even in the last year, she was a beautiful person. I know that she's celebrating her new body and mind, in the presence of the Lord. I pray God's peace and comfort for you. Linda, I wish there was some way I could come for the funeral, but I just can't get away. I will be there, in spirit, though.

*God bless you all.*
