“ *To the Nimmo family, I loved Aunt Bill and Uncle Les so much. They were truly special people. Though I am no longer part of the family due to my divorce from Bill, I still felt that she was my aunt too. I do know how much she loved her family. I am so sorry for your loss but I know that Heaven gained a jewel. God bless you.

“ *On behalf of Cova Smither and myself I want to express my thoughts about Mrs. Nimmo. I met her through Cova quite some years ago. Cova spoke highly of her and I came to think just as much of her. I found her to be an amazing lady. I was also associated with her in the community choir. However, when Cova's bones failed on her and she became pretty much of a bed patient, I dropped out of choir. Haven't seen too much of Mrs. Nimmo in the last three years or so. I do regret not getting over to see her after I heard about the stroke. Please accept our heartfelt thoughts toward the family. “ To Judy and Norman and the Nimmo Family:  
Judy and I can empathize with your loss at this time. In August of last year we lost Billie, and we know Billie appreciated Mrs. Nimmo tremendously as well as the rest of our family.  
It was a pleasure to work the visitation on Wednesday night. It was a true testimony of the love everyone had of Mrs. Nimmo and your family.  
You can be sure that your family will remain in our prayers in this difficult time.

“ To the Sugg and Nimmo family, your precious Mrs. Nimmo was the most wonderful and delightful woman of God. We are so sorry for your loss. Gigi, as her great grandchildren call her, brought so much joy to all who were around her. Her quick smile would light up the room. Her devotion to God and her family are legacies that will continue to live on. May God bless you and give you comfort at this time.

“ What a loving, caring, SWEET lady we have all lost. Mrs. Nimmo has touched sooo many lives including one of her best friends, my grandmother, Sammie Lee Robinson who passed away a little over a year ago. What brings me comfort in today is thinking of Mrs. Nimmo and Sammie sitting in Heaven decorating it with these jeweled balls that we here on earth have really come to cherish. They still hang on my Christmas tree each year. Family, I pray that you too will have comfort in knowing that God's arms are around you right now and we will see her again someday and this time it will be forever, and forever is a really long time! I love yall..... Hope Robinson

“ Dear Judy, Bob and Family,  
I just wanted to tell you again how much we love you guys and are praying for you. I know your heart is sad and hurting. Your Mom was such a special person. She always made everyone feel so special and so loved. What a gift! When I was blessed to be in her presence I always felt a little better about things. She had a way to lift your spirits and your heart. She will be greatly missed on this earth, but I know there was much rejoicing at her homecoming on Sunday. She told me last week she would see me in heaven and I know this separation is only temporary. I pray that God will comfort you as only He can. I pray that He holds you in the palm of His hand and that you would feel His presence as never before. My love and prayers are with you.

Love,  
Jane

“ *To Aunt Lilly's family,  
Aunt Lilly will surely be missed by many. We so enjoyed our visits when she came out to Wyoming, and when we met with her at Grandma Hattie's in Old Joe. I will always remember her cheerful smile and calling her "Aunt Bill".*

“ *Mrs. Sugg I am so sorry to hear about your loss. We will surely miss her. Even though I didn't get to visit with her as much as I had liked, I enjoyed seeing her at Mrs. Henderson's funeral. You and your family are in my thoughts and prayers.*

“ *Judy & Family,  
You have lost your precious Mother but God has gotten a special angel. We all loved your Mom and she loved all of us. I know you will miss her but also know that you rejoice that she is with the Lord and no longer has to endure pain or suffering. She's probably already "visiting" the children and making them feel at home as she always did with all the children here at FBC. We'll continue to pray for you. She was indeed very very special to us all and to you most of all.*

“ *To Judy & the Nimmo family,  
My family & I were so saddened to see that Mrs. Nimmo had passed on in this world. She was a very special lady & a special friend to me and my children. Her face would always light up and smile so big whenever we happened to meet in town. I will also miss getting her special hugs! I know that she is at peace and so happy now being re-joined again with Mr. Bob. I truly enjoyed working with Mr. Bob & always looked forward to the stories about "the grandson". As the years passed, I then loved hearing about the twins. The Nimmo's were so very proud of all of her family. The times that they would ride out to our house were always special memories to our family! They were both very special people & I will always cherish the wonderful memories of them both. God Bless...
