“ Sonny and family, I cannot believe what I just read in the paper. The pain you are feeling right now must be unimaginable. I loved Linda for being so kind and helpful to me. She was such a good friend and I'm sad that we let so many years pass without nurturing that friendship. Seeing y'all the other day brought such a good feeling and I hadn't realized how much time had passed. Linda will live on in our hearts and memories but I know, especially for you, that is not enough. I'm praying you find peace and the strength you need right now and hope with all my heart, you know how loved and appreciated you both were to me.
