

Linda Sue Cheshire

September 1, 1954 - August 14, 2010

LINDA SUE FOLSOM CHESHIRE went to be with her Father in Heaven on August 09, 2010 after a remarkable battle with cancer. Linda was born September 01, 1954 in Tyler, Texas to parents Eugene and Betty Jean Folsom. She was a graduate of Sam Houston State University in Huntsville, Texas, earning a bachelor's degree in Social Rehabilitation. She found true happiness in life after meeting Richard Cheshire, whom she married and spent the past 27 years with. Linda's career spans over 23 years of service to the citizens of Montgomery County, beginning at the Montgomery County Sheriff's Office in 1983, and concluding with her retirement from County Building Maintenance in 2007. She found peace in spending time with her friends, traveling with Richard, enjoying nature's gifts and watching her kids flourish. Compassion for others epitomized Linda's life. We, her family, Richard; son, James Hulse; daughters, Diana and Gideon Gibson, Melissa and Wayne Machala, Tina and Scott Thames; and grandchildren, Harmony Gibson, Cody Machala, and Victoria Thames find comfort in knowing that Linda is now reunited with her grandparents, parents, and sister Vickie Ann Folsom, who preceded her passing. Her multitude of friends have been blessed to have known Linda and lead enriched lives because of her. There will be a celebration of Linda's life at 1:00 P.M. on Saturday, August 14, 2010 at Sam Houston Memorial Funeral Home in Montgomery, Texas. Due to allergies of many family members, we ask that no flowers or plants be sent. Family would appreciate any donations in Linda's memory be sent to the M.D. Anderson Cancer Center Children's Art Project www.childrensart.org . You are invited to leave memorial condolences to her family on our website at www.shmfh.com.

“ *What a beautiful service, one of the nicest and most meaningful I've attended. Most times we don't see all dimensions of a person in the workplace: The minister, James, and Diana painted a picture that showed me I lost out when I didn't take the time to get to know Linda better. James and Diana: You did a wonderful job of honoring your mother...I'm sure she's smiling down at you. I hope all of you hold on to your wonderful memories and remember how much she loved each of you.*

“ Richard and Family, my condolences to your family. Although through these past years our paths haven't crossed, every time I made a trip to the courthouse I would hope to run into one of you. Linda was a joy to work with, a bright and happy person, I'm glad I got to work with her. She will be missed.

“ Richard & Family, Linda & I first met when we went to work for the Sheriff's Dept. in 1983. We went to work one month apart and the minute we met we made a lifetime connection. The times we all shared of "going out" before you were married bring back so many wonderful and laughable memories. Her friendship held no limit as she shared her love, her devotion to family and her love of life. No one is going to fill the void in your lives at this time but please remember that God is able and more than willing to get you through these terrible, dark days. Our prayers and thoughts are certainly with you all and you will continue to be in our prayers.

“ *Richard,*
We are sorry for your loss. Linda was such an exceptional woman and friend. We have so many fond memories of ya'll and everything ya'll have done for us. We still can't express how much ya'll's friendship means to us. The times we have had and enjoyed together, and the love ya'll showed when we needed you the most, when you helped us rebuild our house after the flood, night after night and Linda supporting you to be there. All we can say is the brotherhood and sisterhood of your love is a powerfull thing. If you need anything at anytime, all you have to do is call, our brother we will be there.
With love and prayers

“ *Diana and James and family, I am so very sorry about your loss. Linda was a very special cousin; I have many happy memories of summers we spent together at our grandparents' house in Pampa. Through the sadness I feel at Linda's passing, I have to smile when I imagine the reunion she is having with Jean and Chick and Vickie, and with her Ma and Pa! Linda was so proud of her family, and we enjoyed sharing in the joy of new grandbabies- May you find peace in the sweet memories of such a special lady.*
