

Linda Carol Daniel

November 4, 1946 - October 23, 2025

Linda Carol Tharp-Daniel of Little Rock, Arkansas, passed away peacefully on October 23, 2025, surrounded by family. Born on November 4, 1946, Linda lived a life full of adventure, laughter, and unwavering love.

As an Army brat, Linda traveled the world in her early years, proudly graduating from Kaiserslautern High School in Germany—a place that fueled her curiosity and shaped her spirited outlook on life. She later returned to the United States and built a successful career with GTE, from which she retired after many dedicated years of service. Linda enjoyed many passions throughout her life. She was an avid lover of antiques, always searching for the next great find; a woman who never passed up a chance to try her luck at the slot machines; and a lifelong advocate for animals. Above all else, she was devoted to her family. Her sense of humor—often unfiltered and always unforgettable—brought joy and laughter to everyone blessed to know her.

Linda is survived by her daughter, Lori Rutherford; her son, Larry Coulter; four

cherished

grandchildren; and six adored great-grandchildren. She is also survived by two brothers and

one sister, all of whom will continue to honor the incredible impact she made in their lives.

She is preceded in death by her beloved granddaughter, Kennedy O'Malley.

Linda's presence in our lives will be greatly missed, and her memory will be treasured always.

Per her wishes, no formal services will be held. A celebration of Linda's life will be announced

at a later date.
