“ *Linda was one of the first people to welcome my brother and I to Oley. She was always warm nd gracious and ready to be a support. She will be greatly missed.*

“ I call her lovely Linda Louise, my pea, and Ga - Linda! And because I knew her I have been changed for GOOD! Our favorite play is Wicked.

Second only to the Wizard of Oz. Because, you know it's ALL about the shoes!

I used to meet her on her patio; and me, just having to open my bedroom window. We were just leaving grade school and starting Junior High as it was in 'the day'.

We both attended Jane Long junior High. So as we grew closer over the years.... We shared my window and her patio to solve the problems of the World. It was still all about the shoes and what we might be wearing to school that day, who we loved and which teacher we hated.

You know how catty girls can be.

This went on for many years. Until we both got married and alas moved away.

Years later we would renew this friendship and then it was forever an unbreakable bond.

I could go on and on but as I said, it is a lifetime of so much love.

“BECAUSE I KNEW YOU I HAVE BEEN CHANGED FOR GOOD!”

“ *She was a ray light that always made people smile at Oley! I was remembering our time together at AVA when Megan and I presented. She always made me feel comforted and her smile brightened the room! Seeing her advocate encouraged me to advocate. She made a difference in so many lives.*

“ *I met Linda at the ASPEN Nutrition national meetings. We were "booth mates" with Coram Alternate Site Services. We became friends immediately. I loved her sense of humor and her total commitment to her daughter and her husband. We shared FB together and her posts were uplifting and fun; especially those with Gizmo. I left Houston a number of years ago but was glad to stay in touch by FB and our great mutual friend, Carol Ireton Jones, or affectionately known as (Dr.) CIJ. I miss you very much already, Linda. ❤️*

“ I came to know Linda when I married into a very large family over 57 years ago. She was just a 15 year old teenager then and I had the privilege of seeing her grow into a loving, giving, and very nurturing woman. She was the glue that held her family together, always taking care of everybody and everything. I know Ray and Megan will find their way, but they will also feel the huge hole in their lives that she used to fill, as I do. With love to my nephew and great niece, I am here for you, Aunt JoAnn.

“ Words can not express how I feel about the lost of my friend, cousin and sister by another Mother. I could always count on her to give me advice when I needed it and give her some when she needed it. I feel sad for Uncle Ray and Megan for their loss but remember I will also be there for both of you. Love you both Aunt Mary

“ *Mama G will be so missed in this world. One of the strongest, giving, and caring people I know. Linda helped me when I needed support the most in my life. She also made me laugh- really laugh. She is one of the best moms in the world too- fiercely loyal, passionate and full of love for Megan, Ray, and all the animals who shared her heart. Mama G got that nickname from all the kids in the theatre program when Megan was in Jr High. Always there for ALL kids. Planned our trip to NYC, chaperoned it too. Gave to everyone around her. I love you Linda! I am grateful that I knew you and you touched my heart and world.*

💜 *Sending so much love to Megan and Ray. You are in my heart*
