“ *Please accept my heartfelt condolences. Mrs. Green was a wonderful mother and grandmother. She was always smiling and ready with a kind word. I know her family is grieving. God bless,

“ *Oh GOD, I pray for your comfort to surround Kenneth and the family at this time of deep sorrow they are going through. Sadness overwhelms thinking of how her family will miss her. My heart is so heavy as I think of a friend that I didn't get to see as often as I wanted to, and now she is in Heaven with our Lord and I cannot see her again until I have passed over Jordan myself. We will miss her greatly.
Linda's life was certainly full of love and happiness for whomever she came in contact with. Every time I was with her, she never failed to mention her love for Kenneth, children and grands. No matter how you felt when you went to see Linda, you were always full of joy and laughter when you left. We would loose our breath sometimes laughing at the positions we would get ourselves into.
As tears fill my eyes, I will say Goodbye My Wonderful Friend.*
