“ Mr. Keeland, Kelly and Ryan, Our family has been praying for Linda since the beginning of her illness. I am Tom Pecks sister and I have been in contact with Kelly through this time. I want you all to know, though I have never met you or Linda that she has become a big part of our prayer time. Please know that you will still be in our prayers and like I told Kelly in a recent email... Linda is SAFE IN THE ARMS OF JESUS!! LOOK TO JESUS FOR STRENGTH AND HE WILL GET YOU THROUGH UNTIL YOU SEE HER AGAIN.

“ Tom: Over the years I developed a special relationship with and respect for you and your family. Linda was everything and surely more than the wonderful comments I read in today's paper. Memories of the times shared with her and the family are special to me. May you and your family find strength and peace of mind as you deal with such a loss.

“ Please accept my sincere sympathy. The Lord called Linda on the 11th anniversary of David's death and she bravely fought the battle against cancer, just as he did. Not to dwell on the past, but just to let you know that love for your lost family member never fades and your good memories outlive the tragic ones. She was a lovely lady and will be missed by everyone that knew her.

“ Chris and I want to send our sincere condolences to the whole Keeland family. Although we only knew Linda for a short time, we thought the world of her. We will always cherish the times the four of us spent together visiting, laughing and just enjoying each other's company. We feel so blessed having had her as a friend. She fought so courageously and we're sure that God is rejoicing now that she is with him.
