“ *I just learned about Linda's passing yesterday when I tried to call her phone number to ask if she could work with me on transporting some rescue dogs...I am so very sorry to hear this news and I send love and prayers to Linda's family. I frequently worked with Linda on rescue cases, and she was so compassionate and kind, always ready to lend a hand. She even fostered one of my dogs, a black lab named Sweetheart, and she was unable to let her go-- Sweetheart is still part of the Scholl family. Linda and I shared many long phone conversations about animals...we were both also "stewardesses"...she flew for Southwest, and I flew for Pan Am, so we had lots to chat about! I know that everyone who knew Linda will miss her, especially all the doggies of Montgomery County...but I am sure she be there for all of those pups (and kitties) coming across the Rainbow Bridge.*

Again, my prayers to Linda's family. She was a stellar lady.

Sincerely,
