“ I have known Linda my whole life and she was a super great person, her smile and happiness would make anybody happy. Her attitude about life was always positive. I will miss her very much. Now lately we talked more than in the past because some of my cows think the grass is greener on ya'll's side of the fence. I can't imagine loosing somebody so dear at Christmas time, but GOD has a purpose for her in Heaven with his choir of Angels and Saints. My prayers have been and will continue to be with all of you. My whole family and I want to express our deepest sympathy and love.

*We knew Linda for a very few years or should I say since 1991 when
we had New Waverly Feed. They were always friendly to us and we
were to their family and I have ran into Linda at the Doctor's office's
here and there and always spoke and we had a very good
conversation about our problems with health. I am so sorry to hear of
her loss to her lovely family. May God be y'all's comforter during this
tragic loss. I am sure she is at rest with her Lord and Savior and will be
there when the rest gets called home also.
