“ *Just a word of encouragement to the family of Lisa Harrison. She always had a smile and was very humorous everytime I went into Brookshire Bros. It's just not the same without Lisa anymore. To her sister, Angela, whom, I had the pleasure of working with at Montgomery Elementary, just keep your hand in God's hand and everday will get a little easier.*

“ *My prayers are sent with care and strength for the Hassell Ladies. Never have I known a more solid unit of womanhood than Angela, Lisa, Michelle, and Nita. We will all miss Lisa's "childlike spirit and explosive laughter." As your family continues to grow into extended families, my prayer is that you continue that bond of womanhood. May we all learn the meaning of "Grace" through Lisa's power of enduring pain and discomfort all those years, and yet keep an infectious spirit till the Lord calls our name.*

“ Lisa worked for me at "the Condos", I always appreciated her hard work and bright smile. I still miss weekends with my "girls", the work was hard but we made it fun. The camaraderie was what made our day. I will miss Lisa's smile and quick wit. My prayers are with the family in this difficult time. Just remember that Lisa loved her family very much and was proud of you all.

“ I am thinking of Lisa's loved ones during their time of sorrow. Growing up with the Hassell family and having a sister Lisa's age makes her loss difficult. I always enjoyed our visits at Brookshire Brother's. She had a happy spirit and was always smiling! I pray that you find comfort in knowing that she is no longer in pain, her body is whole again and she is in a much better place.

“ Our thoughts and prayers are with all of you. I graduated with Angela but as small as Montgomery was at that time, we were close with all the classes at MHS. I remember Lisa's infectious laugh and happy-go lucky personality. Words cannot express how truly sorry we are for your loss.
