“ *It looks like she was very happy. I hope all she ever wanted came true and anything she ever wished for the ones she loved to come to pass. Would have loved to know her.*

“ *Lisa, Thank You for all that you did for me and us out here at Dow. You never said "No" or backed down from a challenge. You always dug in and got it done. Things always seemed easy because you were so good at making decisions. You could read something, understand it and with the greatest of ease come up with a solution. You so loved camping and all the beauty that God had created out there. And so loving a Grandma, who could ask for more. I miss you, as we all do and wish for a few more minutes to be with you, maybe another time in another place.
Love Ya,*

“ Pat & Family - I am thiking of ya'll during this time... I have known ya'll for so many years. Lisa coached me in softball, the summers I spent babysitting Jay Pat and Stephen at ya'lls house, all the great memories growing up ... working with Lisa ... she always had words of wisdom for me... a loving heart yet a stern voice to steer me right. She loved my family and my parents too. I know she is rejoicing in Heaven with my Dad as well! I can't wait to join them cause I know their smiles are shining down on all of us just waiting for that day! Love to ya'll and praying for God's hand to give ya'll the peace only He can give ya'll until that day when you are once again joined!

“ *Pat and family*

I worked with Lisa for many years. She energy and kindness on those oh so busy days. She was always smiling and willing to help. No one could be around her without knowing her love of God and family.

Lisa lived her life as an example of how Gods love can be manifested in our daily lives.

She will be missed.
