“ *Pat,  
Just learned about your loss. Although Lloyd seemed always to have things under control, there was that kind gentle spirit. I think that his smile showed how much he loved life and people. He made a difference in the lives of so many Lake Dallas students. The direction he gave and words of encouragement are gifts that keep giving long after we have joined the presence of our Lord. Love to you, my friend. Janet Tyson*

“ Pat and family, David and I are so sorry to hear of Lloyd's passing. No words can express how much he meant to David. He was not just a coach for him; he was a teacher, mentor and always there for him. Most of David's memorable moments at LDHS included Lloyd. I know that I came along later, but I too have such fondle memories. I can't recall a time that he didn't make me smile. We are keeping your family and you in my prayers. All our love, Karin and David
