“ *What a wonderful service and tribute to a dear friend and worker! My most treasured memory is most too personal to tell...but I'll never forget how one special mtg time before the Belvidere mtg, she was struggling to have thoughts to share and she asked to pray together. Her spirit drew one closer to Him. With deep gratitude for her life. Rose*

“Lois was a true friend and we always loved having her in our home. She was our spiritual leader, and I felt as though I had been visited by an angel when she left our home! She will always have a place in my heart, as I have wonderful memories of our times together. She was loved by my husband, who passed away in June of 2021, and all who knew her. Although I know I will miss her phone calls, I am happy that she is in her Eternal Home with Jesus, and I hope to join her one day, when the Lord calls me home! Rest in peace, my special friend. Love, Marian

My condolences to Lois's family and to all those who loved her. She was a dear friend of our family for 78 years and will be greatly missed. Her smile and laugh were genuine and the expression we hear, "They were beautiful inside and out" describes her perfectly.
