“ Mrs. Foster was an outstanding person and citizen in the Pine Prairie Community. She and Mr. foster were friends of Mama and Daddy and loved by all. I remember when Mama had a heart attack and Mr. and Mrs.Foster came by to tell Donny and I, "If you need anything, anything, just ask". We didn't, but we knew we could. I know that they both helped many others. Only God knows who. I saw Mrs. Foster last in 1974, my son was a few months of ago. May God be with each of you in this your time of sorrow.

“ Dear Bobbye and the entire Drake and Foster families. We were sad to hear of Nannie Bo's passing. Those will be shoes that will be very hard to fill. You can take comfort in knowing she is now pain free. I pray for peace and comfort for each and every one of you. God Bless.

“ Norma, Bobbye, Donna and Walter I am so glad I got to visit with your mother and her family the Saturday before she went to be with the Lord. Your mother always had a smile on her face even then. Now is the time to reflect back on the memories she left and draw strength from them. My prayers are with you and your family.

“ 84 years seems like a long time, but it was not long enough to have my Aunt Dean. What a treasure she was. Her wonderful laugh, that natural raven black hair, sky blue eyes, sweet disposition and razor sharp wit. But she was by no means a pushover. She would tell you real quick what she wanted you to do and how to do it. In a family of excellent cooks, she could hold her own. I always loved to go to her house for breakfast. She made the best fried eggs ever. I just loved to go to her house for any reason. We didn't have air conditioning and we had an outdoor bathroom, but she had central A/C and not one, but two indoor bathrooms. And she always made us country bumpkins feel right at home. I hope she is pain-free and running like a kid again and I hope all her quarters hit the jack-pots. I love you Aunt Dean and I will miss you so much. Sandra Jean

“ May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. - Psalms 3:5-(John 5:28,29)
