“ *Meghan and Jon,
As you know, our fathers are cousins, what you may not know is how highly my dad spoke of your father. I'm sorry I will not be able to attend the service at Sunny Dale, but please know my heart is with you.*

“ *Meghan and Family:*

I wish to express my sincere condolences to the loss of your great man. I believe the legacy of a good man is not how many things or how much money he has in his bank account. Rather, it is the quality of the lives of his children that measure his success. With that metric in place, it is obvious he was a great dad when I consider how blessed we are to have Meghan at the helm of Huntsville's Promise.

Her love for others is a reflection of a great legacy of both parents. I pray for your comfort at this trying time. May the comfort of the Holy Spirit assist you through your darkest hours.

*Love,
David Prier

“ He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5
