“ I am so sorry to hear about the passing of your Dad. He was such a sweet presence in my life for over 40 years, and I will truly miss him. He always treated me with kindness, and the love he shared for Cody and Jacob and even Justin and Devon was genuine and unwavering. He flirted with Devon every time we were together with her. I especially remember him dancing with her at Cody's wedding.

I will forever remember his big laugh, his big smile, and those strong hugs. He continued to be part of our big disjointed family despite the circumstances. When the boys were little, He and Carol went to little league games, peewee football, school functions, and College football games. They let Cody live with them during his college days at Sam Houston State. And since Carol's passing 15 years ago, he and Jacob have built a special friendship not many grandpas have with their grandsons.

His memory will live on in the laughter of the children he loved, in the stories we share, and in the space he held in all our hearts. He will be deeply missed, and I am grateful for the time and love we shared as a "family".

With heartfelt sympathy,
Ginger Weldon

“ To Delmar’s family,
First I want to say how sorry we are for the loss of a very kind man. We have lived down the street from Delmar and Carol for I guess 20+ years. We had many conversations (mostly standing in the street outside our houses) about fishing, boats, golf and just about life. The white bass run on Harmon creek and his bass boat were often topics. He always had something positive to say. He would joke about me not keeping up with my wife on our walks around the circle. He would give me a hard time as I am 20 years younger but I felt his kindness and love for us. When we lost our son he and Carol came to his service and brought us food. I am so sorry we are out of town and won’t be able to attend Delmar’s service and meet his family. But we wanted you to know that he touched our lives. We will miss him. Love, Kelly and Debra Sims
