“ *My most sincere condolences to Guinn Hugh (as Loretta would call him), Marva, Sharla, Kerry, and their families. I worked with Loretta beginning back in 1975 at what was then Davis, Davis, Durham, & Schulz. We sat in opposite corners of the secretaries room. She was always professional, efficient, and cheerful. I can hear Charles Davis now, coming into the room and saying, "Loretta, bring back your book." Back then we were still using shorthand. I was privileged to know her and work with her. Dawn Evans*

“ To Uncle Hootie and the entire Murray family. My fondest memories are growing up in Elkins Lake and playing daily basketball, kickball and tackle football against the barbed wire sideline in the Murray backyard. A kids sports paradise with refreshments in the Murray kitchen when we would stop for a break. Aunt Loretta always welcomed us with a smile. So many cherished memories with all four families that shared the concrete neighborhood slab where we fought, laughed and honed our skills. For me personally, it became somewhat of a Christmas morning tradition to walk over to the Murray home for one (or two) of Hootie's famous Bloody Mary's and share a few laughs while donating my money to Hootie's college and Super Bowl squares. They have always been kind and generous with respect to our family, with particular thanks to their tireless and dedicated efforts to Robyn's memorial golf tournament and Sam Houston scholarship fund raising. I cannot express enough how much that meant to my parents, my brothers and to me personally to this day. Thanks is not a big enough word. May God continue to bless you and keep you close in his arms as you persevere and celebrate this remarkable woman and family. You are all and will continue to be, in our hearts, thoughts and prayers of the entire Barrum and extended family. Fly high Loretta and shine brightly. You will be missed.

“ My wife, Sue, and I were both shocked and deeply saddened to learn of Loretta's untimely passing. After visiting with her at the many class reunions we all attended, we had come to consider her a genuine friend. Sue particularly enjoyed getting to know her since neither of them were "Huntville ites" and they could sympathize with each other.

Guinn Hugh, my friend, we mourn and grieve with you and your children. She was really a fine person, all your friends loved her also.
