

Lori Kathleen McBunch

August 3, 1990 - December 15, 2020

Lori Kathleen Johnson McBunch

Born 8-3-1990

Took Jesus by the hand on 12-15-2020

Age 30

On August 3rd, 1990 God gave us the indescribable joy and blessing of a daughter that we named Lori. Oh, my did we all love this beautiful baby. She grew and we watched her be a blessing to others as she would tell them about Jesus on many mission trips as well as her daily walk. She was the much loved (most of the time) sister and companion to her sister Jennifer. By any account they loved each other much. God gave us all the continued blessing to see her graduate with her bachelor's degree from Sam Houston State University and went on to get her master's degree from Lamar University and become a special education teacher. She had a God given talent and skill serving these children and loved them dearly. She loved her family, her friends, and enjoyed life. As a family, we cherished every moment together we could muster.

She met and fell in love with Lee McBunch, who is now the son we never had. They were married on June 25, 2016. They were a precious pair that God himself had clearly put together. It was, and still is a joy for Lee to be part of our family.

On September 25th, 2018 she and Lee welcomed Gentry McBunch. What a blessing Gentry continues to be for our family. So sweet, so cute, so incredibly full of life.

The greatest thing a parent can ever know about their child is that they are a saved believer in the Lord Jesus Christ. At the age of 8, Lori asked Jesus into her heart and remained a strong believer in Jesus as her savior. She held firm to that all her life and did not waiver. She would tell you before she left this earth and certainly now, you better know the Lord Jesus as your savior before you leave this Earth.

In short, we count it as a blessing that God breathed life into her and let Lee, Gentry, Michelle, Jennifer, and I know her as wife, mom, daughter, and sister. What a gift for us to be a part of her life.

I ask each of you reading this to please pray for my son in law Lee for a peace that passes all understanding.

She is survived by her husband Lee McBunch, son Gentry McBunch, father Lonny

Johnson, mother Michelle Johnson, sister Jennifer Johnson Moore, brother-in-law Waylon Moore, nephew Kiefer Moore, grandfather H.W. Johnson and his wife Carolyn, mother-in-law Nita McBunch, sister-in-law Jennie McBunch and numerous aunts, uncles, cousins, and friends. She loved them all dearly. Visitation will be held Monday, December 21st from 5:00-7:00 at Sam Houston Memorial Funeral Home in Huntsville, Texas. At the family's request, you MUST wear a mask or face shield while attending the visitation. The family requests in lieu of flowers, please make a donation to the Down Syndrome Association of Houston or any other special needs association of your choice.

A private graveside will be held for immediate family. Memorial condolences to the family may be made at www.shfmh.com.

“ *Lori lived across the street from my daughter Avery and the two grew very close. She is grieving hard and misses her. The last time I talked to Lori was at my grandson's birthday party. She was watching me wash the sink full of dishes and she finally asked what I was doing. A little confused, I laughed and said that I was washing dishes. She asked astonished, "like that?!" She said that I washed dishes like her mom. I told her thanks for the compliment! She was a beautiful, precious friend.*

“ I will never forget Lori. She was so caring and friendly. She was the best neighbor ever! She always thought about others. When our dog passed away, she made us brownies. She made the best eggplant parmigiana. I wish I would have had more time with her. I'm praying for Lee, Gentry and the rest of her family. She will be missed!

“ Lori was the first person to welcome us to Magnolia when we moved from Florida. We were blessed enough to move in right next door. I'll never forget her coming outside with Gentry on her hip and introducing herself. Gentry was just shy of turning 1. They both had the brightest eyes and most welcoming presence. From that day forward the McBunches were a constant in our lives. Always up for a driveway gathering, post work conversation and coordinating Sunday dinners. Lori is and always will be the center of our neighborhood community.
