“ *My sincere condolences to Mrs. Currie's family. I know she will be terribly missed by all who knew her. I worked with Lorise many years ago, when I moved here from Dallas in the early 80's. She was like a grandmother to me. After she retired from working for Mr. Palmer, we kept in touch through Christmas cards and occasional visits in Huntsville. She was truly one of the sweetest, most thoughtful women I have ever met. My prayers are with the Currie family at this time. I know she is with the Lord now and in his loving hands.*

“ *My condolences to Lorise's family. Lorise's Mother was my father's Aunt. I remember the last time my sister, Sue, and I had a nice visit with Lorise about 2 years ago concerning our genealogy. She was of tremendous help. Please accept my sympathy in the passing of a very wonderful lady.*
