“ *I took care of your mother while she was with our home health care agency (Home Health Care of Huntsville). She was so sweet. I know it is a great sadness and relief that she is gone. As a hospice nurse with Thee Hospice, it is hard to care for loved ones at the end, and yet it is almost a great relief when they are finally at peace. You will be in my prayers. I have thought of you often since that time we last saw each other. I can't go down FM 405 without looking at your house and remembering you all. May God Bless and Comfort you all at this time, especially the little ones.*

“ Emmett, I wish to send our condolence to you and your family during this time of your need. I only met your mother once or twice, but I know how much she was loved by ya'll, and that I know that she will be greatly missed by you.

We will be praying for the comfort that only God can give to you during this time.

“ Jerry,

Please accept my sincerest sympathy on the loss of your dear Ham. Such a special man. His loyalty to FUMC and to Sam Houston State was exceptional.

I truly felt that he was my friend.

I know you will miss him along with those he loved and worked with.

I'm sure God has provided Ham with the very best printing equipment available--he may even be in charge of the Heavenly Newsletter.

Your friend in Christ,

Martha Chaney
