“ *Dear Celene, Cathie and Melissa,
I am the youngest of the first cousins of the Dittimore family. My brother Lafe and Louis(Louie) were friends and I think stood up at each others weddings. I was so impressed with the obvious accomplishments of your father and only found out about his death after you had celebrated his life. He and my brother were fun to listen to and am sure that losing his presence will be difficult for you. However, you have the luxury of knowing his love for you and your mother.*

“ *We are friends of Lou from Copperfield Estates. His laugh would always bring laughter to everyone around. His smile was contagious. What a joy it was to know him. And he had a beautiful voice when he sang along with the group. He was so proud of his children and grandchildren. Ron and I miss him already.

“ We are so saddened to hear of Lou's death, as we were of Carol's. They were both such wonderful people and friends. Joe worked with Lou at Conoco for many years and Carol helped us find a house when we moved back to Houston in 1989... Time just won't stand still...but good memories still remain. Joe and I send our sincere sympathy and prayers to your family.
