“ *Louis and Odessa Laskie were friends with our family as long as I can remember. My dad, R. C. Luckie and Louis were in the Navy together during World War II and remained close until my dad died in 1972. Louis stayed in contact with my mom until her passing and then me. We went to Las Vegas and met with him and Le a little over a year ago and I was amazed at how well he still looked. Sharing some time and a meal with him and Le was delightful. What a guy!!! Loved you Louis Lenora*
