“ *My heart goes out to you and your family at this time. I will keep you in my prayers. Keep her memories in your heart forever. There are no words that I can tell you Mike to stop the hurt that I know that you feel in your loss. Just keep in mind that she has gone to be with the Good Lord and she will no longer suffer. I know in our talks how much your mother was a part of your life. I wish I could have been closer to you during your loss as you were for me when I lost my mother. May God give you peace.

“ *I am so sorry about the loss of your wonderful mom. I have so many vivid memories of both of your parents while growing up in Huntsville, but especially "Mother Goose." It was your mom who taught me how to make sweet tea, and I still think of her every time I make a pitcher. And, I never dry a load of laundry without thinking about Mr. Percy taking a ride in the dryer. Know that my thoughts and prayers are with you. Love, Brenda Rogers Watt*

“ Retha, Cavin & the entire Utley family,
We are so sorry for the loss of your mother. Hopefully, the wonderful memories of your mom will help you to make it through the rough days ahead. I wish I could be at the visitation/funeral but I have been out with problems from my kidney disease and unable to attend. Please know that you & your family are in our thoughts and prayers. With much love,
