“ *Daughters, Grands, Great Grands, Mother of Lloyd's beautiful household and all of the Hunt brothers and sisters: What a wonder you are and have been for those of us who were blessed to have touched base with you in this life on planet earth. As a High School classmate of Loyd, I with the others was entertained by his quiet witty personality. He did not play it up. It was just there and right on time. The humor was a family trait which came through the DNA of a hard working Mom and Dad raising up a large family on a farm with each one being trained to share the load. I appreciated that for I too came from those same kind of roots.*

I salute all of you in the Hunt family for your achievements many times under adversity and I feel that I can assure you that Herman and Nora Hunt along with all other family members who are in that great cloud of witnesses encompassed about are cheering you on. Well done! Well done!

*Blessings and Love in the name of the Lord,
Lee Wigand [Leetie Hudgins]*

“ I worked for Warden Hunt on Darrington in the late 70's-80's. Lost contact until a few years ago when I met brother Joe on a County Road in Rusk County Texas, and through Joe i was able to renew my friendship with Loyd. I am so sorry for your loss. Loyd was a good friend and he will be missed. Our prayers are with your family.

“ I was promoted to Lt. on Darrington, 1976, We lived in the house next to Warden Hunt and family. With out a doubt he was a leader with much convict savvy. I never saw him loose control of any situation he commanded. A very "Cool level headed Warden"

RIP Warden Hunt.

“ Our first encounters with your dad was at the Credit Union 1988he listened and understood our concerns w/o passing judgement. Each day as I walk in the unit, I see his picture on the wall in the sally port. Each day, I think back of how kind and gentle he was. Our prayers are with your family during this time. I am sure over the years it was returned to him 10 fold.

“ Lloyd D was a fellow Warden and a good friend. We always had fun and a laugh when we were together. He was serious but had that other side. When I was a young Warden, Lloyd D. gave me free and sound advice. My thoughts and prayers go out to the Family. Rest well my friend, Respectfully, David Myers
