“ *As a child attending Grace Baptist church, I was blessed to have Lucille Parsley as my teacher and example. She was a strong spiritual influence in my life. Mrs. Parsley helped me to appreciate at a young age how important Bible study and worship are to Christian growth. I remember her as a very intellegent, strong lady who knew her Bible and loved to share it with young people. I would not be who I am today without the love and influence of Mrs. Parsley. I know God rejoiced in her arrival.*

“ *Lucille Parsley was a wonderful woman. We lived across the street from the Parsleys from the time I was two until I was twelve. Even though she had a family and was a busy woman, she always had time for me. She took me to Vacation Bible School for the first time. Because of the love of Mrs. Parsley and her witness, I came to know the Lord and have served Him for all these yaars. When I graduated from high school, she gave me my first Bible. The message she wrote in the back means so much. I will always remember her and cherish the times I was in her home. I believe she has a golden crown now and one of the stars on that crown is for me. God bless you all. You are in our prayers. 936/264-1706*

“ Our church group goes to the conroe home Mrs Parsley was in. We sing and visit with all of the folks that live there. Mrs Parsley was a favorite of mine I always made sure the nurses got her up so she could sing with us. She enjoyed the singing and knew all the songs without a book. A long time ago she even played for us. She is a very special lady always had a smile on her face when I would enter her room and "Say Mrs. Parsley are you ready to come sing" she would respond 'If some one will help me up I would like that very much. Even lately when she was unable to get up I would go to her room an tell her we were there an she was in our prayers. Her family are in our prayers as well.
