“ I was sorry to hear about Lucille, she was such a Woman full of life. I don't think I had ever met a woman that could do so much and think so little about it.

I remember Allen thought she was the only one that could cut his hair-what little he had in places- just right. She took such good care of him and cut it just like he liked it to cover the skin he didn't want showing. He said it made him look to much like his Brothers if the skin showed.

God Bless and be with all of the Family during these rough times ahead.

Take Care and e-mail me sometime Nancy Jo.
