“ Grandma was more than just a wife, mother, grandmother, etc. She was a lover of life, she taught me what life was really about and to her I am truly grateful. I will miss our 6am talks, our 3 o'clock and our 8 o'clock good nights. You did a remarkable job in guiding the family family through life. And your legacy will be continued through each of us by the things you taught us.

Love,
Gary (Tex)
