“ *Amy, As soon as I read about Luther on line I immediately called my son, David Gibbs, He was heartbroken. When David was a little boy my mother Bess Murray, would come in for Luther to fix her hair she would always bring David and Luther would fix his hair slicked back with a 1950's haircut. David loved it and neither one of us ever forgot it. That little thing Luther use to do for David always stuck with both us and we still laugh and talk about it. I told David, I just wished we had taken pictures of every time we left "Luther's". We will miss him but he will never be forgotten for that little bit of kindness that left such a favorable impressions on both of us. May God Bless*

“ My Prayers are with the Family of Luther. He was a person I have been Blessed to have known. Along time ago I used to wear 'pig-tails, that was my hair-do. The day of my 8th grade graduation, Luther, took out those 'pig-tails' and cut my hair for the first time in along time. He made me feel Beautiful! After that, Luther cut my hair for many years. Thank you Luther for all the Great hair cuts! Your gone, but NOT forgotten!!

“ Amy and family, the last few months have been special for me in sharing with Luther his journey. Throughout it all, he expressed his love and appreciation for all you did for him, the love you expressed toward him and for you especially, Amy, the greatest joy in his life was because you were his wife. Luther and I went to HHS together. He had a rough start, but finished very well. Your memories will be priceless treasures, as his faith was one of great confidence.
