*My sincerest condolences to the Davidson families. I'm so sorry to hear about this sudden loss of a wonderful, sweet lady. I pray for your family to have strength during this time and for the fulfillment of the prophesy in Revelations 21:3,4 which says "With that I heard a loud voice from the throne say: Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away . And the one seated on the throne said "Look! I am making all things new." Also he says: "Write, for these things are faithful and true".*

“ It was almost like yesterday when this beauty graced this world. There I was sitting on the front porch (their front porch) holding a little bird I had caught. Phillip (Little Brother) and Doris had been in Mt. Zion, Texas when Trina let them know it was time to make her grand entrance. As they drove by they saw me sitting on the porch, they turned around and came back; I was informed that Doris was in labor. I didn't believe it at all because she was laughing. My thoughts; well I don't believe it, but I'll ride along with them wherever they are going. I jumped in for the ride; the bird and all. It was not until we pulled into the emergency room entry that I finally started believing it was no joke at all; I let my little bird fly free and, in to the hospital we went. To see the smile and hear the laughter of Doris on that day; is no mystery to me why Trena always displayed a continuous smile; it was inherited. Our days are cloudy right now because of the absence of our Trena, but let us remember that way above the clouds; the sun is still shining even though it might not be visible right now. Your faith and belief will sustain you.

*Sincerely*
