“ *Mrs. Baker,
I am so sorry to hear of your husbands passing. I still remember the last day of school my 3rd grade year, you were so excited to retire together! Although I never met him I am sure he was a wonderful man to have been with such a wonderful woman. You are in my thoughts and prayers!*

“ *Patty,
I practiced in front of Lyle when he was on the bench and officed
next door to him when he shared space with Les Hulnick.
Lyle was a wonderful, kind and funny man. He never met a stranger
and always had the time to share a story or two with his friends and
colleagues.
My thoughts and prayers are with you and your family.

often. He was a good friend --- as were you.*

*I appreciate what you are feeling because my wife, Mary, died
suddenly February 12.*

time!*
