“ *What is a good friend? It has been said that is good friend is someone that if you have not seen them for a while - when you do see them it is just as if you have never been apart. I am sad to say we lost such a friend this week. 60 years ago she was our pastors wife and we have been friends ever since. We do know where she is and that is much better than where we are. It does sadden us that we are not in Texas for her services but some things are not possible - Marie Powers - Go rest high on that mountain*

“ Marie was our pastors wife about 60 years ago- she has been a dear friend every since. I could tell many stories of things that occurred through the years. One thing we all know is that she was a great christian lady, she will be missed by many. Elda and Marcellus Parrish

“ It's been 48 yrs since I met your family. She was always wonderful loving woman. She might not have understood someone's life, but she loved them anyhow. ❤️  
She will be missed greatly.

“ There are many beautiful memories of this lady. We would share thoughts when I was working in NW City Hall and she would be there at Molly's office. She and Bro. Kemp were faithful Christian workers. My condolences go to her family. We know she is with our LORD and Savior Jesus Christ. Sara Barte
