

Malachi James Williams

December 12, 2019 - November 3, 2024

On December 12, 2019, a beautiful baby boy named Malachi James Williams was born to his parents, Paige and James Williams. He was the one and only son born to this union. Malachi had a beautiful spirit and everyone that he encountered loved him dearly. Malachi loved bubbles, playing outside and he was a Mama's boy who loved to give hugs and kisses. Early in his young life, Malachi was diagnosed with a rare Cancer called Pleuropulmonary Blastoma. Malachi pushed through with his warrior spirit and fought as best as he could to beat this horrible illness. Malachi made strides and seemed to improve but the Cancer came back aggressively which made his fight much harder. God called sweet Malachi home early Sunday morning on November 3, 2024, while he rested peacefully with his mother and father.

“ Condolences to Malachi’s mommy and daddy and so many loving family and friends. Though he lives pain free in our loving savior’s arms, the gaping hole of his loss will long be felt as he only enjoyed a short but loving life in his family’s hearts and home. Praying peace, comfort, and endless memories for you. May you receive daily glimpses from heaven that your sweet boy is near and whole and close to heart.

Paige, it broke my heart to hear of Malachi's passing. Just know he is at peace with Our Heavenly Father. The precious memories you made with him will always be with you, sometimes bringing joy and sometimes bringing tears. God sees it all and will be there to bring you peace and comfort. Much love to you and family. I have you in my prayers.
