Malcolm “Mac” Edward Goldsby, beloved husband, father, grandfather and friend, passed away in Montgomery County, Texas on May 31, 2025.

“ In the early 1970s, Mr. Goldsby hired me to work at his Exxon station on I-10. He was an exacting, but generous boss. I will always remember that he entrusted me at 15 years old to close the station three nights a week. That made quite an impact. "Aim High... Fly-Fight-Win", Mac.
