

Marc Thomas Newman

September 23, 1954 - November 16, 2017

Marc Thomas Newman was called home to the Lord on November 16, 2017. He was born in Houston, TX on September 23, 1954 to Earnest and Josephine Newman.

Marc lived his entire life in Houston. He attended St Rose grade school then on to St. Pius X High School. Marc attended classes at the University of Houston where he joined the fraternity Delta Chi. Marc worked in the commercial construction field for close to 40 years. A career that enabled him to improve and contribute the growth of the city he dearly loved.

Marc's true passion was his family. He was at his happiest surrounded by loved ones. Whether it was at a holiday gathering, social get together, birthday party, or simply a Mimi and Popo sleepover he loved to be with his family. He was the patriarch of his family and the orchestrator of most family gatherings. He loved his Italian heritage and celebrating the holidays by cooking and baking recipes handed down from his mother. He was a generous, caring, and selfless man that would drop everything in his own life to ensure the happiness of his family. Never thinking of himself he continued to make everyone in his life feel truly loved and special.

Marc is preceded in death by his father, Earnest Karl Newman; mother, Josephine Barcelona Newman; and brother, Earnest Karl "Corky" Newman.

He is survived by his wife, Deborah Joan Newman; his daughter, Amanda Katy Darragh and her husband Ty Darragh; son Joseph Thomas Newman and his wife Stephanie Durrett Newman; grandchildren, Emma and Abby Darragh and Drake Newman.

“*I was fortunate to have worked with Marc on a two year project. A caring person, with tremendous integrity. Always good natured, with a way to bring out smiles for us that worked around him. Will miss you bud.*

“*My only sibling's husband of 40 years...I could not have asked for a better guy for my sister, or a better brother-in-law for me! Marc was a Construction Project Manager for all those years. He got me my first drafting job, that I started the Monday after my HS graduation, and a couple of summer and Christmas jobs during college. He is at least somewhat responsible for me being in the Engineering and Construction field. A great sense of humor, passionate in his beliefs, a good man and husband, and proud father and grandfather. We shared a lot of laughs over the years and I am thankful for him being a part of my life!*

“ *With a smile in my heart I remember Marc as the bratty youngest cousin who grew up to be a fine man. His passing brings memories of Sunday dinners and Christmas Eves at Mama Katie and Popo's house next door to Marc and his family's garage apartment. Those are beautiful family memories and so many, even among the cousins, are now celebrating together in another place.*
