We can not express enough how sad we are about Marcy. We will always remember the good times such as the “Eat & Greet” prior to the Zac Brown Concert. Mike and I didn’t even know who the band was however both of you did. It was a great night! The couples out of town couples group to Clear Lake at least twice. Many lunches and over the years hours of conversations regarding our children & grandchildren. We brought bridge back into our lives by playing every Thursday for many years. The biggest decision was always where to have lunch after cards. Many great memories to reflect back on.

Marcy will be missed by all.

Love Karen and Mike
