“ *Coach Williams was a mentor to so many
Huntsville Hornets on the field or court and in
the classroom. I am so grateful to have
worked alongside you. Your infectious smile,
your love of your family and all those long
days and nights coaching are endearing memories for me. What a
servant you were for Christ. I know the Lord welcomed you home

*My zon Corey Pullins loved Coach Williams. One time my son and
daughter and myself were at Buffalo wild wings and he walked in with
couple of other coaches and they new each other. They were talking
and laughing and Coach dared Corey to eat the ghost pepper chicken i
recall and they burst out laughing. It was funny. My daughter Chelsea
had Coach Williams in 6th grade. He new her well. She was always
taller then everyone. Now she's 16 and on varsity volleyball from
freshman til now. She's 6'2 and making him proud i hope. Chelsea told
me had passed. I said no way. She was very upset. Corey and Chelsea
will honor him tomorrow. My GOD be with you 🙏*
