“ *I had the wonderful experience of working with Ms. Bradley at J.C. Penney's for 4 years. The ladies there were all like one big family & she was a fun loving & always happy lady. You always hear the expression that she "never met a stranger", but that was very true with Ms. Bradley! She knew EVERYBODY in Huntsville and would try to help them if she could. She certainly had to be admired for the way she continued taking care of Cundis & it was always the highlight of our day to hear the stories about Cundis. She was a very special person in my life. I'll always cherish those memories and smile knowing that He has called another Angel home!!*

“ *In Loving Memory of my Grandmother. Nannie, you have always been and always will be one of the most special people and women in my life. No one will ever understand the special bond that we had. I will forever treasure the many happy memories that I have of you and of our times together. From our trips to the camp when I was little, to you helping me learn to drive, to our trip to Richards to make beautiful the place where you will now go to be with grand-daddy again.....every moment we spent together was wonderful. I know I probably never thanked you enough for putting up with my adolescence hard-headedness growing up, but there is no doubt in my mind that you have always known how much I appreciate everything you did for me and how much I will always love you. I am so blessed to have had such a wonder woman as my grandmother. Your memory and love will live on inside of me forever. I love you Nannie.*

“ *The Pet Therapy teams, especially Don and Corky, had wonderful visits with Ms Bradley. Not only was she one of our Honorary Pet Therapy trainers, but she was a favorite friend to visit. She is remembered fondly.*
