“ Dear Dick and family,

Peggy was one of those dear friends that if you had not seen her in a while, she was eager to pick up the conversation wherever you left off. Her devotion & love off her family was effident from the first moment you met her. Peggy & Dick's parenting skills were proven exemplary by all their beautiful children and grandchildren. She will be missed by all. Our prayers and sympathy.

“ I've been so thankful over these past few years in being able to see and visit with my cousins and meet all of my family. The best time was when I was able to bring my mom "Aunt Chipper" down to meet all of you. We'll all miss Peggie as she was a fantastic person. My love and sorrow goes out to all of the family.

“ Dick,

Please know that you and your family are in our prayers. I will miss visiting with Peggy. She was always so willing to share her books with me. It was also good to know someone that loved their dog as much as she and I both did.

God bless,
