“ I have so many good memories of the Coyle family when they lived in BC...Karen and Bill Charlton were playmates for several years until Karen started school and we took Bill to the Coyles when we went to the hospital to get the second son. Margaret came over to soothe my nerves the night when I had an attempted break-in. Irl was principal at Cherry Elementary and a gentle and loving man. Then the family moved to Grapevine and that was the end of our friendship...but I remember...Laura
