“ We write this with great sadness that we didn't get to know Bushia better; thank you for the opportunity to meet her. It was immediately apparent to us that she truly enjoyed life and having her family around her. She was such a lively, fun personality and it was our pleasure to visit with her. Our thoughts and prayers are with you.

“ Elaine, Mrs. Gregory, Marci, Mary Margaret & families,

I only knew her as an acquaintance, but it was obvious to anyone who had the pleasure of meeting her that she was a special lady. There was always an unmistakable twinkle in her eye, a rare beauty not found in many! Rest assure many of us who were unaware will try to attain a copy of her publishing for our own indulgence. You all are in my thoughts and prayers.

“ All of you are in my prayers day and night. I thank God that He gave me the blessing to be allowed to know Bushia personally and to love her for everything she was and came to mean to me. She was "still prissy" and full of life! I just know that she is up there giving God advice as she did for all of us.

I love y'all with all of my heart and grieve with you at this sorrowful time in our lives. She lives on in us and she is happy and young again in Heaven.
