Carol, mom called the nursing home today to check on Aunt Margery and they told her she was not there. I asked her if she thinks something may have happen to her. I googled her name only to learn that she passed away last summer. I am sorry that you did not have a way to let us know. Had we of known we sure would have been at her service to honor her life.

She is in a better place reunited with all of the family. We will all be together again someday...

“ *Carol,*

Sorry we didn't get to visit more at your mom's service. When I think of your mom I think of the time your mom, Mrs.Cauthen, Mrs.Boyd, Mrs. Nimmo and a few of the other ladies showed up at my mom's beside at Methodist Hospital. She had just been diagnosed with the brain tumor and I had spent the night with her at the hospital. Those were hard times and the love and support those ladies showed meant so much to me. May God be with you and comfort you during this time. You mom was a wonderful kind lady and her legacy will continue for a long time to come!

“ Uncle Flay and Aunt Margery were the dearest people and I loved them both so much. This is the end of an era, Aunt Margery was the last of the Hill aunts and uncles - it hardly seems possible that they are all gone. Carol, you and Gary are in my prayers and in my heart.

“ Carol, this saddens us so. The last of a long line of wonderful Hill people. Margie was so precious to us when we lived in Huntsville and Heather adored her. I am so glad we called and talked to her a while back. Aunt Margie has gone on to a place many of us anticipate meeting up. I will be thrilled to see them all and have her welcome me into heaven with her smile, her giggle and a warm pie. all the Stuarts.....

“ Irmadene: I know this is hard on you! You too were like sisters. When one needed help the other one was there to help too. I'm so glad you two were so close. I remember seeing you two at restaurants together. I have had Margie on my mind for several days and was going to call you and see if you would like to ride with me to see her. I hate that my "going to do" didn't get done. I loved Margie so much. She was a good friend to me. She and I would ride to family funerals together. She rode with me to Temple to visit a lot too. I drove her to a lot of family funerals too. She used to work for my father when he was in the military as a secretary. A bunch of those friends would get together at my dad's house for a weekend. They would cook and laugh all weekend. I think there is only one left so she will be greeted by all of those friends too. We always called her Aunt Margie even though we weren't really kin. Margie was married to Flay. Flay was my Aunt Virginia Bolsins' brother. We have always heard her called Aunt Margie so that stuck with us too. Thank you again for being such a good friend to both Margie and to us. My family loves you. If you ever need anything just call. We are just up the street from you.

“ Carol:

I am so sorry to hear about Margie. We absolutely loved and adored her. She was like a "Huntsville Grandma" to my children. She would always make them chocolate pies for their birthdays and sometimes "just because". Bob was crazy about her too. Every now and then she would call and mention that a light bulb would be out and he would go by and put one in for her. She was a very precious Christian woman that will be missed by so many. She is in heaven right now with Flay, Uncle Kenneth, Aunt Virginia, Dad & Mom, and my husband, Bob. I'm sure they all met her with open arms. She was always beautiful on the inside and out. Let me know if you need any help with anything. I love you!!!
