“ *My mom (Cora Mae) told me today about Margies passing, she was my great-aunt (Scooter is my dad). She is so beautiful in her picture, and she reminds me so much of my grandmother. May God place his hands on you at this time of sorrow. With Sincere regards, and condolences Delores (Dee Dee) Shivers (Holt)*

“ *Earl & Bonnie ... We just got home from San Antonio and saw the sad news. We are so sorry and hope God took her gently. I know it will be a void in your home without her but you know she is resting in God's arms now. If you are ever in our area, please call us. Would love to see you. Blessings, Jo and Robb*

“ *Steve, my sincere condolences on the loss of your mother. Your parents and mine were friends for a long time and you and I have known each other since childhood, remember? Margie's picture brings back so many happy memories, she hadn't changed a bit. I still miss your dad - he was a fine person. I think of you all whenever I pass the old house on Cedar Bayou Lynchburg. Miss you all. May Margie find peace and joy in Heaven. Kindest regards Diane*

“ Shorty,

I remember your Mother with fondness. She was always a pleasant neighbor who had a ready laugh and a great love for her family.

My own parents have been gone several years, but I well remember the pain for a long time after their death. So, I understand what you are feeling.

You have my deepest sympathy.
