“ *To the Cook family - We are so sorry to hear of Marie's passing. We all worked together for a short time at SHSU's Residence Life (aka Housing Office as it was known back then). She was the one who kept our office in stitches with her stories and jokes. She will be missed!!*

Our deepest sympathy to you all. May your fondest memories of her help you find comfort in the coming days.

“ *Hugs to Brandon and his family. Marie was such a sweet lady. I may have only knew her though many phone calls but she was always the nicest lady. Brandon you were very blessed to have had her as your grandmother.*
