“ *Donnette, I just read online about your Dear Mother passing away. Your parents were such precious people to me. I never saw either of them that they didn't have a smile on their face. Even though our families have shared a deep friendship all these years, I feel like Dud & Marie were like family. Thanks for sharing them with so many of us. I will miss them!*

“ *Donnette and Family,
I just found out late Monday night about your mom and was so sorry to hear of your loss. She was a very sweet lady and a wonderful asset to the Dobbin community. I will keep you and the family in my my prayers.

“ We belong to The Order Of The Eastern Star. Marie was on the first committee we recieved in Grand Chapter. We have known her for many years. She has always supported us in any way she could when we needed her. She has left us for now but we will see her again when we get to heaven. We will miss her while we are waiting to get there to see her again. We pray that Our Heavenly Father will comfort you as you go through this time of grief.
