“ *What a privilege it was to have known such a beautiful woman. She always welcomed me into her home and her heart and that shall never be forgotten. I will always cherish memories of sitting on her back porch on Sunday afternoons, and her snicker as she asked if I was tired after a holiday shift at the pie shop. I know that it is hard to imagine your lives without her, her family was everything to her, but be comforted in knowing that she is in the greatest hands of all, and with each and every one of you every day. With all my deepest sympathy and love. - Chrissy*
