“ *Ms. Janice, Lt. Owen was one of my supervisor's at the Jester IV Unit in Richmond, Texas. I enjoyed working with him and I will forever remember all the talks he shared with us in the Control Picket. Lt. Owen loved you and your children. He couldn't wait to get back from his off days and tell us what all he did when he went "home." I know that he loved the Lord, and we often had deep spiritual conversations about being "blessed!" Although, I left TDCJ 11 years ago, he is a supervisor that I will never forget. May God continue to keep you and your family during this difficult time. May God's peace be granted unto you!*
